

CRAFTERS & ARTISANS INVITED TO 34th ANNUAL JUBILEE

It's that time of year again!
Time to be at the Tehama County Museum's
Crafter and Artisan Faire

Visitors to the Tehama County Museum's Annual Jubilee & Crafter/Artisan Fair enjoy strolling through all of the booths in Habert Park just west of the Museum.

Crafters and collectors, artisans and handcrafters whose interests and products run the gamut from the interesting and unique to the practical and hard to find are invited to set up shop in beautiful downtown Tehama at the Tehama County Museum's 34th Annual Jubilee on Saturday, September 12th. The large number of tents and sun shades that always fill Habert Park, next door to the Museum, are a fun and very important feature of the Jubilee. They always entice locals and visitors alike to stop and enjoy the festivities.
