Hello Crafters & Artisans,

It's that time of year again! Time for the Tehama County Museum to bring to the community our 33rd Annual Jubilee and for you to be invited to apply to be a part of our Crafter and Artisan Faire.

Our theme this year is "Bricks, Mortar & Windows 2.0₁₄" It's a big celebration for us. We've received generous grants that make it possible to re-point the brick mortar and replace the windows of our major artifact – our 1859-60 main building.

A big crowd is anticipated to check out our rehab progress, peruse the new exhibits, and join us for this one day event filled with many fun and stimulating activities. They include but are not limited to: an art exhibit by San Francisco artist Anna Chrasta; a book signing by the author of *The Deer Creek Round-Up* Tom Orr; a new exhibit on the Lassen Trail; fiber arts demos; rides in a 1926 Ford Model-T "Tin Lizzy"; an antique vehicle display; a pancake breakfast; live entertainment highlighted by the California Heat of the Sweet Adelines; historical and heritage society booths; raffle prize drawings; and, of course, the Crafter and Artisan Faire!

This year there's been a policy change in regards to booth fees. Last year there was a monetary fee as well as a request for a booth inventory raffle prize donation. That has been revamped and this year we're only requiring a monetary booth fee. You are however more than welcome to donate a raffle prize.

The "Pre-Paid/Delivered Lunch" service will be available again this year. We feel that it might be inconvenient for you to leave your very busy booth to stand in line and wait for our scrumptious lunch offerings. Our menu choices range from hamburgers and hot dogs to wraps to sides as well as a variety of drinks. Please consider using this advanced order option as we are unable to accept "delivered lunch" orders on the day of the Jubilee
